EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claims 2 and 8 are identical in language and both currently depend from Claim 1. Examiner believes Claim 8 is incorrectly claimed to depend from claim 1, since this would be a mere duplication of claim 2. Examiner assumes Applicant intends to have claim 8 depend from claim 7, therefore the following amendment has been made.

In the claims:

In claim 8, the dependency has been changed from "according to claim 1" to - - according to claim 7 - -.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George D. Spisich whose telephone number is (703) 305-6495. The examiner can normally be reached on Monday to Friday 9:30-7:00 except alternate Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Paul Dickson can be reached on (703) 308-2089. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
